Dear Madam:

We reply to your email dated April 16, 2012 with regard to the attached news article entitled: "Alsons sets aside P1.2 billion for Iligan diesel power plant" published in the April 16, 2012 issue of *The Philippine Star*, which reported, among others, the following:

"Mindanao-based energy firm Alsons Consolidated Resources Inc. (ACR) is ready to spend around P1.2 billion for the Iligan diesel plant.

ACR wants to rehabilitate the power plant while working at new power projects to increase available electricity in the Mindanao grid, an official said.

The Energy firm is looking at completing its purchase of the Iligan diesel plant for P300 million and spending P650 million for repairs, said ACR executive vice-president Tirso G. Santillan, Jr.

The P650 million is only for the rehabilitation. We also have operational requirement because before, fuel was supplied by the National Power corp. (Napocor) but now we have to supply the fuel, Santillan said.

Furthermore, acquisition of the adjacent lot and purchase of a fuel tank from Napocor will bring the total project cost to P1.2 billion, Santillan said."

We confirm to all trading participants and the public that the statements made by our Executive Vice President, Tirso G. Santillan, Jr., in the above-mentioned article are true and correct.

Very truly yours,

LUIS R. YMSON, JR.
