Dear Madam:

We reply to your email dated May 27, 2013 with regard to the attached news article entitled: "Alsons pushes \$1.3-B power projects" posted in the *philSTAR.com* on May 27, 2013, which reported, among others, the following:

MANILA, Philippines – Alsons Consolidated Resources Inc. (ACR) of the Alcantara family is pursuing \$1.3 billion worth of power generation projects in electricity-starved Mindanao.

Six power projects will allow ACR to grow its generating capacity by four times to 665 megawatts (MW) by 2019.

"By 2019, ACR will have an attributable capacity of 665 MW." said ACR chief finance officer Luis R. Ymson, Jr.

ACR president and chairman Tomas Alcantara said the listed firm will put up three coal-fired power plants and a hydropower facility, and complete the rehabilitation of a diesel plant at a cost of \$450 million.

The company will also spend \$900 million for a 419-MW open cycle gas turbine and coal-fired power station to supply the needs of the \$5.9-billion Tampakan copper and gold mining operation in Mindanao, Alcantara said.

.....

For this year, ACR targets to take in P627 million in net income and P4.91 billion in revenues, up from P509 million and P3.07 billion in 2012, respectively, on higher energy sales.

.....

We confirm the above statements and no other additional information can be provided at this time except as already indicated.

We trust that we have fully answered your query and that all trading participants shall be properly informed as there is no intention whatsoever on the part of the Company to mislead the investing public.

Very truly yours,
