News article in the Business World Online

Dear Madam:

We reply to your email dated October 3, 2014 with regard to the attached news article entitled "Alsons unit San Ramon Power signs Zamboanga supply deal" posted in Business World Online on October 2, 2014, which reported, among others, the following:

"SAN RAMON Power, Inc. (SRPI), a unit of listed Alsons Consolidated Resources, Inc., has secured regulatory approval for its 25-year supply deal with a power distributor in Zamboanga.

In a decision dated Sept. 15 and released yesterday, the Energy Regulatory Commission approved the power sales agreement (PSA) between SRPI and Zamboanga City Electric Cooperative, Inc. (ZAMCELCO).

Under the newly approved deal, SRPI will construct, own, operate, manage and maintain a 105-megawatt (MW) coal-fired power plant in Talisayan, Zamboanga City.

Of the total capacity, up to 85 MW will be supplied to ZAMCELCO over a period of 25 years.

'The rate to be paid by ZAMCELCO to SRPI depends on whether the power is delivered during commissioning or during the commercial operations of the SRPI power plant,' the decision stated.

The document showed that the plant will start commercial operations within 36 months upon the effectiveness of the PSA.

...."

We confirm the information written in the above article.

Very truly yours,

ANGEL M. ESGUERRA
Compliance Officer and
Assistant Corporate Secretary
